Alok joined Vantage in 2016 and has been consulting with organizations around their leadership needs by utilizing his expertise in business psychology and business management. Bolstered by over ten years of professional experience inside large corporate organizations, Alok's skill in selecting, aligning, and developing others came into focus while he was working as an operations manager in a large and complex organization. Being responsible for high profile organizational initiatives, the financial outcomes of large P&L statements, and twelve supervisors with a combined one hundred direct reports during his management tenure, Alok learned the nuances of leading effectively while optimally managing others' performance.

In both 2015 and 2016, Alok was awarded the prestigious Society of Consulting Psychology Exemplary Impact Commendation. He is the only early career professional as well as the youngest psychologist to ever receive the award two years in a row. Alok completed his Doctorate, including a Masters in Route in Clinical Psychology, from Carlos Albizu University in Miami, Florida, he has an MBA from Widener University and an undergraduate degree in the General Sciences with a minor in Business Administration from the Pennsylvania State University.

Originally from a small town in Pennsylvania, Alok resides in the suburbs of Philadelphia with his wife and growing young family. Recreationally, Alok dreams of a lazy Sunday afternoon where he can watch a NASCAR race or play a friendly game of high stakes poker. For leisure, Alok likes to spend time with his family on the beaches of the East Coast of Florida.
