
GINA PIACENTINE INTERN

Gina joined Vantage in 2020 through its intern program. Gina is a graduate student at Elmhurst University, pursuing her Master's in Industrial and Organizational Psychology. Originally from Milwaukee, Gina completed a bachelor's degree in Psychology, French and International Studies at Saint Louis University. She then moved to France, where she spent her time teaching high schoolers English and seeing as many historic monuments as possible.

Gina is still discovering all Chicago has to offer and enjoys being a tourist in her own city. In her spare time, she loves cooking, movies, vintage shop finds, and is always trying to keep her houseplants alive.

“Life was meant to be lived, and curiosity must be kept alive. One must never, for whatever reason, turn his back on life.”
—Eleanor Roosevelt
