

ALLISON CARR ASSOCIATE

Allison joined the Vantage team in December 2020 as an administrative coordinator, providing support to Beau River and Stefanie Mockler. She is a New Yorker at heart, but has come to consider Chicago home in the last two years. She graduated from Syracuse University in 2018 with a Bachelor of Science from the Bandier Program for Music and the Allied Entertainment Industries. Prior to joining Vantage, she worked as an Executive Assistant and Promoter Trainee at Live Nation Entertainment, based here in their Chicago office. She also spent time working in the Beverly Hills office of the talent agency William Morris Endeavor.

Allison enjoys baking and is always looking to pawn off her extra loaves of bread on friends. She loves anything having to do with live music and is anxiously awaiting the day that she can get to the gig again. She has a passion for sustainability and fashion, so you can often find her digging through the thrift store bins on the hunt for the perfect vintage sweater.

“A genuine leader is not a searcher for consensus but a molder of consensus.”
